

Camas Meadows Bible Camp

2008 Summer Staff Application

Introduction

Thank you for your interest in counseling at Camas Meadows Bible Camp. Christian counselors are a critical part of the Camas Meadows ministry. Here is an overview of this ministry so you can see if this is a good fit for you.

Camas Meadows Summer Camp is a...

- **Christ-centered ministry**—our purpose is to know God and make Him known. It is essential, therefore, that our staff have a growing relationship with God through His Son Jesus Christ, and a desire to share His love with others.
- **Relational ministry**—following Jesus means loving one another. We want to build healthy relationships—with campers, with one another, and with God. This means opening your life and relationship with God to your campers.
- **Servant ministry**—servant leadership is the example left by Jesus for us to follow. The humility to serve is one of the most important qualifications of a counselor.
- **Youth ministry**—the camp serves and reaches out to kids ages 9 to 17. A love for and compatibility with children is expected.
- **Outdoor ministry**—much of the camp program involves outdoor recreation and activity. Participation in the outdoors is required (this may involve getting wet, dirty, and/or sweaty).
- **Volunteer ministry**—we work to keep summer camp affordable for families to send their children. There will be a lot expected from you for no earthly pay.

Jesus said of His disciples, *“If anyone would come after Me, he must deny himself and take up his cross and follow Me...”* At camp, you will be responsible for the care, safety, and spiritual encouragement of the children in your cabin. This will give you plenty of opportunities to experience the call of a disciple. Our goal as staff of Camas Meadows Bible Camp is *to serve Jesus Christ by loving kids in His name*. If you feel that this is God’s calling for your life this summer, please prayerfully complete this application.

What have you been doing to grow in your walk with Christ since last summer? What kind of growth have you seen in your life recently?

Describe the truth of the gospel in words a child could understand.

What do you think makes a good camp counselor?

Your Interests and Gifts

If you need more space to answer the following questions, please attach an additional piece of paper.

What do you think your strengths are? How can God use your strengths?

What are some of your weaknesses/struggles? How can God use your weaknesses and how can you grow in these areas?

What is one interesting (and possibly unusual) thing about you?

What are your favorite things to do?

What abilities or talents do you have? (anything from apple bobbing to yodeling)

If you could have a super power, what would it be?

Medical Information

Camp counseling can be physically and emotionally exhausting. Injury and sickness are always possibilities when participating in this kind of ministry. Getting sufficient rest, exercise and a good diet before, during and after camp can minimize the risks. If for any reason you are unable to fulfill your responsibilities or exhibit symptoms of a contagious illness, we will have your parents pick you up and return you home. If you are under the age of 18, please have your parents read and sign the Emergency Medical Release and Liability Waiver on the parental reference form. Please answer the following questions and provide an explanation with any answers of “yes” (a yes answer does not necessarily exclude you from participation in the activities of Camas Meadows Bible Camp).

Do you have any medical condition(s) that might affect your performance as a counselor?

Are you currently taking any medication prescribed by a doctor?

Do you have any medical condition(s) that might be hazardous to others?

Background Information

Please answer the following and provide an explanation to any questions you answer yes. All answers will be strictly confidential.

Have you ever been accused or involved in the sexual or physical abuse of others?

Have you ever been accused or convicted of possession/sales of controlled substances or of driving while under the influence of alcohol or drugs?

Are you currently using or have you recently used (within the current school year) illegal drugs (including alcohol or tobacco if under age)?

Have you been sexually active with a non-married partner in the last year?

Have you ever been arrested or convicted of any criminal act more serious than a traffic violation?

Have you ever gone through treatment for alcohol or drug use?

Have you ever been asked to step away from ministry or work with children for any reason?

Is there anything in your life that might be a problem if we found out about it later?

Parental Reference

Dear parent,

Thank you so much for allowing your child to participate in the summer camp ministry of Camas Meadows Bible Camp. In case you are unfamiliar with our ministry I would like to let you know a little about the camp. Camas Meadows Bible Camp is a non-profit, non-denominational Christian camp committed to sharing the Word of God with people of all ages. The camp is located on a unique meadow in the Cascade Mountains outside Leavenworth. Our summer ministry consists of five weeks of summer camps that can number up to 60 children plus around 25 staff each week. We are staffed primarily by young people in their late teens and early twenties who are willing to volunteer a few weeks of their summer to serve God at camp.

Camp can be a life-changing experience for both the campers and the counselors. God uses the young people who volunteer their time and effort to touch the lives of many children each year. Summer camps also provide a unique platform for young people to discover and exercise the gifts and talents God gave them. It creates an opportunity to build friendships with other Christian young people and challenges them to a lifetime of serving Jesus Christ.

Since they will be responsible for the care and guidance of younger children, it is essential that I get an accurate character reference for each of our staff. You as a parent know them better than anyone and I would very much value your input. Please fill out the following questions and sign the medical release waiver.

You may contact me at 509-548-6553 or scruffy@camasmeadows.org if you have any questions or concerns. Thank you and may the Lord Jesus richly bless your family.

Sincerely,

Daryl Wilks
Director, Camas Meadows Bible Camp
